

## Capabilities Statement

Superior Consulting Services (SCS) brings siloed data into an analytics solution. These comprehensive repositories are used to analyze efficiency, display current status, and predict future demand and corresponding capacity. Services include: loading data into a data warehouse or data lake, cleansing data, modeling to define key metrics, and building reports and dashboards. SCS also provides custom training and mentoring to both IT staff and analytics consumers.

## Company Snapshot

**Gov. Business POC:** Lisa Schmid, COO & Partner

**Company Phone:** 952-890-0606

**Address:** 350 W. Burnsville Parkway, Burnsville, MN 55337

**Website:** <https://www.teamscs.com>

**Direct Phone:** 952-767-1658
